

Triple C Carving Group Newsletter September 20, 2023

22 Carvers attended today's meeting.

Important Note: Hall opens at 8:30 AM. The meeting will start at 9:00 AM. We have the Hall till 12:00 pm

Treasure Report: We will report monthly to the members in attendance at the meeting near the end of the month.

Cookies: Thank you to Pat for the goodies this week. Next week cookies will be brought by Jim and Maxine. Please sign up at the meeting for bringing cookies.

Guests: No new guests this week.

Website: Look for Brigden Fair info on the Triple C website. (Events page <https://www.tripleccarvers.ca/events.html>). Cost for carving entry is \$5 flat rate if done before or on Sept 25th. Entry forms and payment can be done online. Fees increase after Sept 25th, so do not delay!

Business: An honourarium shall be provided to Murray Lincoln as a thank you for holding his carving class. Please sign up for the class on the sign-up sheet. The class date has been set for Oct 18th.

Lambton Heritage museum is interested in inviting Triple C during the Swan Return in March 2024. More information shall follow.

Tech talk: Doug explained his future epoxy project to make a cement table with an epoxy creek winding through it (about ½" depth). He made a practice piece using wood and applying epoxy to make a decorative hanger. Doug learned that it is important to cover the floor when you are working with epoxy!

Upcoming Events:

September 20th & 27th Walter will do an Air Brush demonstration and training.
Wednesday 20th – Basics on equipment types - COMPLETED -
Wednesday 27th – Demonstration & Training with paint (some hands-on)

Wednesday Oct 18th Murray Lincoln wand class. Also an option for making a Scottish Porridge stick (spurtle) with a thistle. *Bring a 1/8" ball burr attachment (and bring your Dremel). Wood will be supplied. What is a spurtle? [CLICK HERE](#).

Tentative Nov. Wayne will present a fabricating bird legs and feet demonstration and training in November.
