

Triple C Carving Group Newsletter September 27, 2023

27 Carvers attended today's meeting.

Important Note: Hall opens at 8:30 AM. The meeting will start at 9:00 AM. We have the Hall till 12:00 pm

Treasurer's Report: We will report monthly to the attending members at the beginning of each month.

Cookies: Thank you to Maxine and Jim for the goodies this week. Next week cookies will be brought by Leo and Jean-Paul. Please sign up at the meeting for bringing cookies.

Guests: Welcome to Joanne Osborne.

Website: Not too late to sign-up for Brigden Fair...cost will be \$15 for registering your entry.

Business: Thank you to Walt for last week's air-brush training. Today's follow-up lesson will include a chance to try it out the air-brush yourself.

Dennis read an email from the Lambton Heritage museum for the Swan Return event in March 2024. Approximately 12 carvers expressed interest in participating in a 1-day event at the museum. Likely the event will include setting up a table and displaying carvings (bird carvings exclusively if we match the 1991 visit). Triple C members' ability to interact and engage with the public is well appreciated. [Click here for 1991 visit photos.](#)

Pat is looking for ideas for a Christmas ornament project for us. We would like to present some beautiful ornaments to a deserving organization in our community. Cut-outs will be provided by the carving club. Please see Pat to share your ideas.

Tech talk: Harvey brought in an eraser that works to erase carbon paper markings from wood. The eraser is a 'sand eraser'. [Mono sand eraser 512A]

Upcoming Events:

Wednesday Oct 18th Murray Lincoln wand class. Also an option for making a Scottish Porridge stick (spurtle) with a thistle. *Bring a 1/8" ball burr attachment (and bring your Dremel). Wood will be supplied. What is a spurtle? [CLICK HERE.](#)

Tentative Nov. Wayne will present a fabricating bird legs and feet demonstration and training in November.

END
